

Transferring Grades

Accepted transfer credits, earned prior to or after matriculation at the School of Law, shall appear on a student's transcript as a "P" indicating the student earned pass/fail credit. Unless a waiver has been obtained from the Dean, a student may not transfer more than forty-five (45) credit hours. A student who has transferred from another law school must satisfy all other degree requirements at the School of Law, with a cumulative grade point average of 2.000 or better.
